COOKIE POLICY

This website and our associated websites, mobile or web applications and digital platforms ("**Sites**") accessed by your computer browser or mobile application are managed by SingEx Holdings Pte. Ltd. and/or its subsidiaries and affiliated companies.

By continuing to browse our Sites, you agree to our [Cookie Policy](#), [Terms of Service](#) and [Privacy Policy](#).

When you visit our Sites, we may collect information from you automatically through cookies or similar technology. This Cookie Policy ("**Policy**") explains how we use cookies and the choices you have. Except as otherwise stated in this Policy, our [Privacy Policy](#) will apply to our processing of the data that we collect via cookies. It is your responsibility to ensure that you have read and understood this Policy and any accompanying risks, obligations and responsibilities.

1. **WHAT IS A COOKIE**

   A cookie is a small text file that contains information that can later be analysed by us to facilitate your access to our Sites, gather statistical data, and personalise your online experience.

   We currently use cookies on our Sites for purposes including detecting your web browser's multimedia capabilities, tracking promotional advertisements that we have displayed to you, maintaining current login and purchase information on secure portions of our Sites and providing a unique identifier to your computer so that we can generate statistics regarding the usage of our Sites.

2. **TYPES OF COOKIES USED**

   While the cookies that we use may change from time to time as we improve and update our Sites, we use the following types of cookies:

   - **Essential cookies:** Essential cookies are necessary for the operation of our Sites. We may use essential cookies to authenticate users, prevent fraudulent use of user accounts, or offer our Sites' features.

   - **Analytical / Performance cookies:** Analytical / Performance cookies allow us to recognize and count the number of visitors and see how visitors move around our Sites when using it. This helps us improve the way our Sites work.

   - **Functionality cookies:** Functionality cookies are used to recognise you when you return to our Sites. This enables us to personalise our content for you, greet you by name, and remember your preferences (for example, your choice of language or region).

   - **Targeting cookies:** Targeting cookies record your visits to our Sites, the pages you have visited, and the links you have followed. We will use this information to make our Sites and their content more relevant to your interests. We may also share this information with third parties for this purpose.

   The length of time a cookie stays on your device depends on its type:

   - **Session cookies:** Session cookies are temporary cookies which only exist during the time you use our Sites (or more strictly, until you close the browser after using our Sites). Session cookies help our Sites remember what you chose on the previous page, avoiding the need to re-enter information.

   - **Persistent cookies:** Persistent cookies stay on your devices after you have visited our Sites. For example, when you log on to one of our Sites, a persistent cookie will be used to remember your preferences, so that the system remembers your choice the next time you log

in. Persistent cookies help us to identify you as a unique visitor but do not contain any information that could be used to identify you to another person.

We use various technologies, such as Google Analytics cookies, to manage our Sites and track the use of the content we provide to help us better target advertising on platforms that market our events. To opt out of being tracked by Google Analytics across all sites, please visit http://tools.google.com/dlpage/gaoptout.

3. **MANAGING AND DISABLING COOKIES**

Most browsers automatically accept cookies, but you may choose to modify your browser settings to decline cookies. If you choose not to accept our cookies when you visit our Sites, you may be restricted from some of our interactive features and services, which may be rendered inoperable.

Please refer to the links below for each browser's guide on how to turn off or delete cookies:
- Chrome
- Microsoft Edge
- Firefox
- Microsoft Internet Explorer
- Opera
- Safari

For more information about these controls, visit the help material of your browser or device. You may also visit www.allaboutcookies.org for details on how to delete or reject cookies and for further information on cookies generally.

4. **CHANGES TO THIS POLICY**

We reserve the right to change this Policy at any time by posting the updated Policy here along with the date on which the Policy was changed. If we make material changes to this Policy that affect the way we use cookies, we will update this Policy and notify you specifically if required by law.

5. **CONTACT US**

If you have any questions, comments, requests or complaints regarding this Policy, please contact us at dataprotectionofficer@singex.com.
